# ABOUT US

The second annual FORK Cancer event is a Celebration of Life presented by Food & Beverage Social Club and Forever Oceans. Eight of Charlotte's top Chef's are creating a dinner experience that will positively impact cancer survivor support, education, research and funding in our community while honoring the legacy of those who have been affected by cancer.

During this event, each guest will enjoy a 4 course meal prepared by leading Charlotte Chefs in addition to wine or beer and a signature cocktail.
